Joe Myers	President
Megan Bradley	Vice President
Alan Silverman	Secretary
Jeff McClellan	Assistant Secretary
Paul Bland	Assistant Vice President

and all of the above were present, except Director Myers, thus constituting a quorum.

Also present at the meeting were Patty Rodriguez of Bob Leared Interests, Inc.; Mary Lutz of McLennan & Associates; Brian Bare of Si Environmental, LLC ("SI"); Chris Burke of Sander Engineering Corp. ("SEC"); Dave Ciarella of Enhanced Energy Services of America, LLC; Clayton Clark, Harris County Municipal Utility District No. 364 ("No. 364") resident; Alia Vinson, Whitney Ables, Katie Carner, Jane Miller, and Chelsea Wappler of Allen Boone Humphries Robinson LLP ("ABHR").

CONSENT AGENDA

Director Bradley offered Board members and consultants the opportunity to remove items from the consent agenda for individual discussion. Director Silverman then moved to approve all items on the consent agenda. Director McClellan seconded the motion, which passed by unanimous vote. Copies of all documents approved as part of the consent agenda are attached.

ADDITIONAL BOOKKEEPING MATTERS

Ms. Lutz reported the addition of handwritten check no. 3754 to All Play, Inc., which will be included in the March bookkeeping report.

The Board discussed the Association of Water Board Directors ("AWBD") winter conference. Following discussion, Director McClellan moved to approve the reimbursement of eligible expenses to the directors who attended the winter conference and authorize any interested director to attend the AWBD summer conference. Director Bland seconded the motion, which carried unanimously.

The Board then reviewed the District's Investment Policy, adopted February 16, 2012, to determine if any amendments were necessary. After discussion, the Board determined no amendment was necessary. Upon a motion made by Director Silverman, seconded by Director McClellan, the Board voted unanimously to adopt a Resolution Regarding Annual Review of Investment Policy.

The Board reviewed the District's list of qualified broker/dealers and authorized depository institutions. Upon a motion by Director Silverman and a second by Director McClellan, the Board voted unanimously to adopt the Resolution Establishing the Authorized Depository Institutions and Adopting List of Qualified Broker/Dealers with Whom the District May Engage in Investment Transactions.

ADDITIONAL TAX ASSESSMENT AND COLLECTION MATTERS

Ms. Rodriguez reviewed a delinquent tax account report from Perdue, Brandon, Fielder, Collins & Mott, LLP and said the District's delinquent tax attorney is requesting permission to move certain delinquent business property accounts over 4 years old to an uncollectable status. Following review and discussion, Director McClellan moved to authorize the District's delinquent tax attorney to move certain business property accounts over 4 years old to an uncollectable status. The motion was seconded by Director Silverman and passed unanimously.

ADDITIONAL OPERATING MATTERS

Mr. Bare discussed recent inspection of the wastewater treatment plant by the Texas Commission on Environmental Quality ("TCEQ"). Director Bland confirmed plans to tour and inspect the District's plant facilities.

TERMINATION OF WATER SERVICE TO DELINQUENT CUSTOMERS

The Board then conducted a hearing on the termination of utility service to delinquent accounts. Mr. Bare reported that the persons on the termination list were mailed written notice prior to this meeting in accordance with the Rate Order, notifying them of the opportunity to appear before the Board of Directors to explain, contest, or correct the utility service bill and to show reason why utility service should not be terminated for reason of nonpayment. Director Silverman moved that, since the customers on the termination list were neither present at the meeting nor had presented any statement on the matter, utility service should be terminated in accordance with procedures set forth in the District's Rate Order. Director McClellan seconded the motion, which carried unanimously. A copy of the termination list is attached.

ADDITIONAL ENGINEERING MATTERS

Mr. Burke reported erosion in the commercial channel and leaking at the cold joint at the wastewater treatment plant. He said SEC will contact the wastewater treatment plant manufacturer to discuss sealing the cold joint from the plant exterior.

Mr. Burke updated the Board on relocation of a waterline to accommodate a proposed daycare along U.S. Highway 290 frontage, including the status of the developer closing on the property and conveying necessary easements to construct the waterline. Ms. Vinson noted that the partial abandonment of a previously existing waterline was previously approved by the Board, subject to conveyance of a water line easement and construction of a new water line to serve the property. After review and discussion, Director Bland moved to accept the water line easement subject to receipt of same. Director McClellan seconded the motion which passed unanimously.

Mr. Burke next discussed an inquiry received from Quadvest, LP in connection with an application for a certificate of convenience and necessity.

Mr. Burke discussed SEC's water and sanitary sewer capacity analyses in response to No. 364's request for additional capacity in the joint facilities and Ms. Carner and Ms. Vinson reported on correspondence received from No. 364. Following discussion, Director Silverman moved to authorize ABHR to send a letter to No. 364 proposing a meeting to discuss terms for a potential lease agreement for water capacity, as discussed. Director McClellan seconded the motion, which passed unanimously.

Mr. Burke recommended that an automatic sampler be installed at the wastewater treatment plant and said he would bring a proposal to the Board's next regular meeting.

ATTORNEY REPORT

Ms. Vinson reviewed an Annual Report containing updated financial and operating data to be filed in accordance with the continuing disclosure provisions contained in the District's bond resolutions. Following review and discussion, Director Silverman moved to approve the Annual Report, authorize the attorney to submit the District's updated financial and operating data in compliance with the continuing disclosure provisions contained in the bond resolutions, and direct that the Annual Report be filed appropriately and retained in the District's official records. Director Bland seconded the motion, which passed unanimously.

Ms. Vinson reviewed an invoice from the Alliance for Water Efficiency regarding renewal of the District's membership. After review and discussion, Director Silverman moved not to renew the District's membership. Director Bland seconded the motion, which passed unanimously.
